

Isn't this the most beautiful time of the year!

It is also a great opportunity to thank you all for participating

in our **Windows-By-The-Sea**-Contest!

I hope you are all gearing up to have a great experience decorating your windows!

The purpose of the contest is to draw attention to your store's window and create an opportunity for people to stop, look, and perhaps go inside to shop. Just a few reminders and suggestions that may increase your chance to win this contest:

- The Window decoration must have a Holiday scene inside.
- Each window needs to be decorated by **November 20, 2014** to qualify.
- The Town will be providing a placard for you to place on your window identifying your business as a participant for judging purposes.
- Judging will occur the week prior to the event.
- Lighting is always an attention getter.
- Incorporate your store's items or services in your decoration as a personal touch.

The winner will be announced on the evening of **December 3, 2014** after the Tree Lighting at

6:30pm at **Christmas-By-The-Sea** and will receive a trophy.

If you have any further questions, please contact me.

Have a lovely day.

Sincerely,

EDIANY CARBON
